

Freedom Farm continues to make meaningful progress toward creating a safe, stable, and nurturing community for foster children and families. We are proud to share the following milestones:

- Four homes have been completed:
 - Three homes are currently occupied by families.
 - The fourth home will welcome a new family after **July 8.**
- Each home is thoughtfully designed to support **parents, up to six foster children, and as many as three biological children**, creating a true family environment.

Family Placement

- Four dedicated sets of parents have been carefully **vett ed and selected.**
- These families are committed to providing **stable, loving, and supportive homes** for children in need.

Community Amenities

- A large playground was generously built and donated by the **Tuscaloosa Kiwanis Club.**
- Volunteers contributed extensively, helping develop:
 - A **community garden**
 - A **picnic area** for shared family activities
- The **Master Gardeners** and the **Lions Club** have enhanced the property by:
